

# The First Annual Lifestyles Unlimited & KR Rejuvenation Golf Tournament

## Benefiting Courtney's Crusade registration form

Saturday August 16, 2008 - Cypresswood Golf Club - Spring, Texas 77373

To find out information about our benefiting organization goes to [www.courtneyscrusade.com](http://www.courtneyscrusade.com)

### Volunteer

Thank you for volunteering for this wonderful event. We appreciate your help and will use you in a variety of ways.... We need people to help with registration, assist with the auction, monitor the golf holes, drive the beer carts and much more.

Courtney's Crusade was founded by her family after she died from a rare heart disease that affects the electrical system of the heart called Long QT Syndrome.

Courtney suffered sudden cardiac arrest in the early morning hours of August 9, 1999, and although paramedics arrived quickly she had been without a heart beat for nearly eight minutes. Through defibrillation, the paramedics were able to restore her heartbeat, but Courtney later died on August 10. Since that day her family has been determined to find a way to make the best of a tragic situation.

Through much research, they have learned that one of the keys to survival in the event of sudden cardiac arrest is early defibrillation, but yet few public places have access to Automated External defibrillators (AED).

Each year Sudden Cardiac Death claims the lives of a quarter of a million people in the United States alone and kills one adult every one to two minutes. It is because of these astonishing statistics that Courtney's Crusade holds an annual fundraiser in Courtney's memory. Through generous donations and live and silent auctions, Courtney's Crusade has been able to raise thousands of dollars to purchase AED's and place them in local schools and public buildings throughout Houston.
